Heretofore the interest in the sessions of the Institute has been so small that very few have attended. The State goes to much expense in this matter, and the farmers should attend to see whether or not the Institute is worth while. It may be more useful to them than they have suspected.

Resolved that we extend to his family, especially his son, who has so faithfully nursed him in the past several years, and who will so much miss his kindly presence, our sincere sympathy in their loss.
Resolved that the brethren wear a badge of mourning and the lodge room be suitably draped for a period of thirty days.
Be it further resolved that a copy of these resolutions be sent the family of the deceased, a copy be spread upon the records of the lodge, and a third one be sent to the Masonic Home Journal and one to the OWINGSVILLE OUTLOOK for publication.

MORE VENUEMEN ADMIT THEY WERE APPROACHED.

Judge Kersten in Briefing Trial Deals

Blow to "Crooked Work" in

Selecting Jurors.

Chicago, Ill.—In the trial of

Leo O'Neill Browne charged with

betraying in connection with the

election of Senator William Lorimer

Judge Kersten excused 36 venuemen

from service when they admitted that

four members of the families had

been approached by men interested in

the case.

When court convened Judge Ker-

sten called the whole 60 special panel

before him and asked all those who

had been spoken to regarding the

Browne case to step forward. A

handful came stepped out.

The court then ordered those

whose families had been spoken to

to advance, and about two-thirds of the

panel responded. The court then

ordered the attorneys to proceed with

the selecting of a jury from those left.

Chicago—The jury which is to try

Leo O'Neill Browne on the charge of

betraying in connection with the

election of United States Senator

William Lorimer was completed Friday after

four more venuemen who acknowledged

they had been approached, had been

excused.

After the examination of jurors

started August 4, eight special panels

of 100 men each have been drawn

for service, and more than 500 per-

cent examined to ascertain their

qualifications, etc.

Judge Kersten, after charging the

jury, adjourned court until Monday,

when the actual trial will begin.
